FALL 24

Trust. Comfort. Style

Introduction

For almost 40 years, Propét (Pro-Pay) Footwear has crafted high-quality footwear that places foot health front and center. Founded on the belief that comfort starts with the perfect fit, we proudly offer comfortable and stylish shoes in a full range of sizes and widths to cater to feet of all shapes and sizes, including hard-to-fit feet. From athletic shoes and slip ons to hiking boots and sandals, Propét is passionate about innovating supportive, stylish designs that will take consumers wherever they want to go in their daily lives.

Our Story

Since 1985, Propét has been a trusted name in comfort footwear, proudly offering walking shoes and Medicare A5500 coded options designed with unbeatable comfort, stability, and durability. From supple leather uppers to extra-cushioned soles, you can depend on Propét to support you every step of the way. We've partnered with leading brands like Vibram®, OrthoLite®, and 3M to engineer premium footwear with the highest quality features for long-lasting performance. Our heritage styles like the Stability Walker and LifeWalker® have set the standard for what footwear should be: lightweight, durable, and incredibly comfortable.

“A journey of a thousand miles begins with a single step and a great pair of walking shoes” - Robert Propét

Emphasis on Wellness and Comfort

As a major advocate for inclusivity in footwear, Propét understands that one-size-fits-all is not for everyone. Our range of sizes, widths, styles, and design features ensure that we serve a diverse audience, from those requiring extra wide options to those in search of customizing your fit.

Sizes and Widths

We offer an extensive range of sizes, up to size 18, as well as widths ranging from narrow up to XX-wide.

Comfort Technologies

We utilize advanced technologies to support optimal foot posture and health including adaptive features like extra depth and adjustability.

Diabetic Friendly

We are dedicated to providing solutions for individuals managing diabetes, neuropathy, and other foot health concerns that require special care and support.

High-Quality Materials

We provide durable, protective footwear by sourcing high-quality materials. Each pair is crafted using premium leathers and fabrics that ensure long-lasting comfort and resilience.

PROPÉT TECH ICONS

These icons will help you quickly identify the technical features of our footwear throughout the catalog.

MEDICARE APPROVED

These styles have been approved for reimbursement under the Medicare Therapeutic Shoes for Persons with Diabetes Benefit.

MEDICARE PENDING

Pending approved for reimbursement under the Medicare Therapeutic Shoes for Persons with Diabetes Benefit.

PED RX™

Protective and stylish footwear designed to comfort foot complications due to health problems, injury or overuse.

WATERPROOF

Feet will stay warm and dry with these styles that have been specifically designed to keep water out.

WATER FRIENDLY

Don't be afraid to get these shoes wet. They're built with all synthetic materials and a water-diffusing, quick drying footbed.

STRETCHABLE

The perfect styles for feet with bunions or hammertoes or other conditions that require a little extra 'give.' Our stretchable leatherette, PU and neoprene panels mean feet will be comfortable no matter what.

FLEXIBLE

These styles feature low-profile outsoles with extra flexibility to allow your feet to move more naturally.

WASHABLE

Indicates styles that have been specifically designed for machine washing.

WIDE CALF

This symbol indicates when a product can accommodate those with a wider calf.

SCOTCHGARD™

Shoes featuring Scotchgard's™ protective treatment means these styles are water repellent and resist stains.

3M THINSUALTE™

Insulation made with fibers that absorb less than 1 percent of their weight in water. It's one of the lightest synthetic insulations on the market, and helps keep feet warm, even in damp conditions.

REMOVABLE INSOLES

These styles feature insoles that can be removed to accommodate custom orthotics.

DOUBLE INSOLES

Double depth options are found with the Propét EV (Extra Volume) Insole System. Customize fit and comfort by removing the bottom insole to provide a little extra volume, or remove both to accommodate custom orthotics.

PUNCTURE RESISTANT

Products with this designation have passed ASTM F2412-11 test for flex resistance and puncture resistance for puncture resistant devices.

ORTHOLITE® INSOLES

Made with open cell, lightweight foams that create a cooler, drier shoe interior without adding unwanted bulk or weight. It's comfort from the inside out.

INTRÉPED™ INSOLE

This unique I-shaped insole structure is designed to guide the foot with medial and lateral support plus a deep heel cup helps to maintain proper alignment and control pronation.

VAPOREX® INSOLES

For additional warmth in cold weather boots and footwear, our Vaporex® insole retains heat by using a foil backing and insulating materials to keep feet warm.

SAFETY RATED

Products with this designation have a Composite Toe and have passed ASTM F2412-11/ ASTM F2413-17 test with I-75, C-75 and EH Resistance 18KV for 1 minute.

DUROCLOUD®

These styles feature our DuroCloud® cushioning foam to provide the highest level of comfort and energy return for consistent forward momentum when walking.

VIBRAM®

Styles with this icon feature Vibram's® Arctic Grip A.T.- ALL TERRAIN™. A compound and lug design improving grip and traction on varied surfaces while increasing durability.

SLIP RESISTANT

Our specially designed outsoles provide high grip and traction. They have been tested for slip resistance on vinyl and quarry tile floors. The test results are listed with each model.

10MM DROP

Footwear designed with careful consideration of bio-mechanics to ensure optimal comfort and performance. The heel is 10 millimeters higher than the forefoot, creating a slight incline that helps improve stability and balance.

UPPER

Breathable mesh and synthetic overlay upper. Seamless mesh lining with edge free tongue to prevent rubbing and chafing. External heel stabilizer for added support

INSOLE

This unique insole combines an open cell PU top layer with a structured TPU bottom layer designed to work together to guide the foot with medial and lateral support plus a deep heel cup to maintain proper alignment and control pronation. Also includes an EVA spacer to customize the fit

MIDSOLE

The mid foot carbon fiber shank aids with both torsion and propulsion, working with the DuroCloud® ETPTA foam technology to promote lower compression so the midsole expands more quickly, maximizing bounce and overall energy return
